WELCOME HOME

THE WOOLAROC MUSEUM presents a comprehensive collection of art that showcases the forgotten glory of the American West. An endless array of paintings and sculptures, many from Frank Phillips' (founder of Phillips Petroleum) personal collection, reveals the trying history of Oklahoma pioneers, outlaws and Indians, and how they sculpted our great state.

VISIT WOOLAROC to experience the American West, the traditions that defined such a heroic era and become a part of the history that continues to live on these grounds.
